LIGHT
IS
LIFE

EMOZIONARE
LO SGUARDO

"Il fascino della luce
è il suo essere mutevole
e inafferrabile,
come la vita, ricca di
sfumature e di sorprese,
imprevedibile e per
questo irresistibile."

Per Modo Luce, illuminare significa emozionare lo sguardo, regalare nuove prospettive e tradurre l'illuminazione in forme dal design raffinato. Il nostro linguaggio è fatto di linee essenziali e abbinamenti originali. Forme e colori che mirano ad anticipare le tendenze si uniscono alla ricerca costante di tessuti e materiali innovativi, attenzione ai dettagli, qualità, libertà creativa e rigore produttivo, dando vita ad una grande varietà di modelli, tutti sinonimi di carattere, vivacità, vita.

ÉMOUVOIR LE REGARD
« Le charme de la lumière c'est sa capacité à être changeante et insaisissable, comme la vie, riche en nuances et en surprises, imprévisible et en conséquence irrésistible ».

Pour Modo Luce, illuminer signifie émouvoir le regard, offrir de nouvelles perspectives et traduire l'éclairage en design raffiné. Notre langage est fait de lignes essentielles et d'assortiments originaux. Des formes et des couleurs qui anticipent les tendances et s'associent à la recherche constante de tissus et de matériaux innovants, sans jamais négliger les détails, la qualité, la liberté créative et la rigueur dans la production, le tout pour donner naissance à une grande variété de modèles, tous synonymes de caractère, de vivacité et de vie tout simplement.

DE

LICHT ERREGT DIE BLICKE
„Der Reiz des Lichts liegt in seiner ungreifbaren Veränderlichkeit, wie das Leben, mit vielen Schattierungen, oft überraschend, unvorhersehbar und daher unwiderstehlich."

Über das Licht will Modo Luce die Blicke erregen, neue Perspektiven schaffen und die Beleuchtung in raffiniertes Design verwandeln. Unser Ausdruck besteht aus minimalistischen Linien und originellen Kombinationen. Formen und Farben, die modische Trends vorwegnehmen, verbinden sich mit der Erforschung innovativer Textilien und Materialien, Sorgfalt in jedem Detail, Qualität, kreativer Freiheit und einer rigorosen Produktion. So entsteht eine Vielfalt von charakterstarken, dynamischen und lebendigen Modellen.

LA FORMA
DELLA LUCE

"Design e abilità
artigianale si
contaminano per dare
forma a suggestioni
sempre nuove."

La nostra identità si manifesta nell'estetica semplice e raffinata delle creazioni e nella cura dei dettagli. Made in Italy per Modo Luce non è solo un'indicazione geografica ma un concetto fondamentale che ne influenza la filosofia: una creatività progettuale dalle forme essenziali abbinata alla capacità sartoriale delle lavorazioni fatte a mano. Il risultato è una luce che non si limita a illuminare uno spazio, ma piuttosto a crearlo.

EN

THE SHAPE OF LIGHT
"Design and craftsman's skill contaminate each other to give shape to ever new suggestions."

Our identity is revealed in the simple, refined aesthetics of our creations and attention to detail. For Modo Luce Made in Italy is not just a geographical indication of origin but a fundamental concept that influences its philosophy: design creativity in essential shapes combined with the tailoring skill of handcrafted workmanship. The result is a light that is not confined to illuminating space, rather it creates it.

FR

LA FORME DE LA LUMIÈRE
« Design et savoir-faire artisanal s'unissent pour donner forme à de nouvelles offres. »

Notre identité se manifeste dans l'esthétique simple et raffinée des créations et dans le soin que nous accordons aux détails. Pour Modo Luce le Made in Italy n'est pas seulement une indication géographique mais un concept fondamental qui influence sa philosophie : une créativité conceptuelle aux formes essentielles associée à un travail fait main. Le résultat est une lumière qui ne se limite pas à éclairer un lieu, mais plutôt à le créer.

DE

DIE FORMEN VON LICHT
„Design und handwerkliches Geschick verbinden sich, um immer neuen Stimmungen Form zu geben."

Unsere Identität zeigt sich in einem ebenso schlichten wie raffinierten Design unserer Produkte und in der Sorgfalt im Detail. Made in Italy ist für Modo Luce nicht nur ein geografischer Hinweis, sondern ein Grundsatz, der unsere Philosophie beeinflusst: kreative Entwürfe in minimalistischen Formen, verbunden mit dem handwerklichen Geschick bei den manuellen Bearbeitungen. Das ergibt ein Licht, das den Raum nicht nur erleuchtet, sondern ihn gestaltet.

ES

LA FORMA DE LA LUZ
"Diseño y habilidad artesanal se contaminan entre sí para dar formas siempre nuevas."

Nuestra identidad se manifiesta en la estética sencilla y elegante de las creaciones y en el cuidado en los detalles. Fabricado en Italia para Modo Luce no es solo una indicación geográfica, es también un concepto fundamental que impregna nuestra filosofía: una creatividad de formas esenciales en los proyectos, unida al carácter único de los trabajos hechos a mano. El resultado es una luz que no se limita a iluminar un espacio, sino que más bien lo crea.

STILE OLTRE MISURA

"La luce non deve limitarsi ad illuminare, deve creare emozioni."

Spaziamo tra forme, dimensioni e materiali diversi, rendendo le nostre collezioni versatili e funzionali per dare a tutti la possibilità di esprimersi attraverso la luce. Materiali diversi: tessuti, metalli, vetro e materie plastiche, illuminate con l'impiego delle nuove tecnologie illuminotecniche.

Tutti elementi che combinati tra loro permettono di adattarsi a vari stili e destinazioni d'uso. Lo studio tecnico ormai pluridecennale del prodotto e delle sue dinamiche, permette di progettare su richiesta forme customizzate anche non convenzionali.

EN

IMMEASURABLE STYLE
"Light must not be confined to illuminating, it must create emotion."

We move between different shapes, dimensions and materials, creating versatile and functional collections to give people the opportunity to express themselves through light. Different materials: fabrics, metals, glass and plastics, illuminated with the use of new lighting technologies.

All elements that when combined, can be adapted to the various styles and intended uses. Decades of technical studies carried out on the product and its dynamics enable us to design customised, even unconventional, shapes, on request.

FR

STYLE OUTRE MESURE
« La lumière ne doit pas se contenter d'illuminer, elle doit créer des émotions. »

Entre formes, dimensions et matériaux divers, nous réalisons des collections versatiles et fonctionnelles afin d'offrir à chacun la possibilité de s'exprimer à travers la lumière. Matériaux divers : tissus, métaux, verre et matières plastiques, qui s'illuminent grâce aux nouvelles technologies liées à l'éclairage.

Autant d'éléments qui, combinés entre eux, permettent de s'adapter à différents styles et destinations d'usage. L'étude technique du produit et de ses dynamiques permet de concevoir, à la demande, des formes customisées parfois très originales, grâce à plusieurs décennies d'expérience.

DE

STIL IN JEDER HINSICHT
„Licht soll nicht nur beleuchten, sondern muss Emotionen erzeugen."

Unterschiedliche Formen, Dimensionen und Materialien machen unsere Kollektionen vielseitig und funktionell, sodass jeder über das Licht einen individuellen Ausdruck finden kann. Diverse Materialien: Textil, Metall, Glas und Kunststoffe, die ihr Licht durch modernste Beleuchtungstechniken erhalten.

Die Elemente können verschiedentlich miteinander kombiniert werden, um sich unterschiedlichen Stilen und Verwendungen anzupassen. Die jahrzehntelange, technische Erforschung der Produkte und ihrer Dynamiken ermöglichen den Entwurf kundenspezifischer, auch unkonventioneller Formen.

contrasting elements
in minimalist style.

BOLLA

Pensieri sospesi, fatti di trasparenze e colori, che affiorano appena appena. Sembra questo il racconto che Bolla fa di sé, coniugando materiali plastici e tessuti ai criteri minimalisti dello stile moderno, dove l'accento è posto su singoli ma decisivi dettagli.

Thoughts suspended, transparency and colour that surface fleetingly. This seems to be the story of Bolla, plastic and fabric combined with the minimalist criteria of modern style, where emphasis lies in the individual yet crucial details.

DISK

Il design si nasconde nei dettagli: basta inclinare il disco in metallo basculante all'interno del paralume e cambi il fascio di luce. Un semplice tocco e la luce viene liberata nello spazio, per atmosfere sempre nuove e inattese.
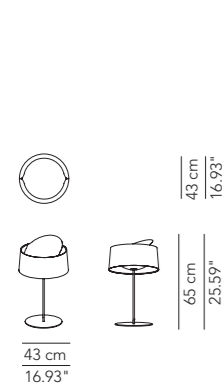

Design is concealed in the details: just incline the tilting metal disc inside the lampshade and the beam of light changes. One simple touch and light is liberated into space, to create ever new, unexpected atmospheres.

ELLISSE

Le lampade a sospensione Ellisse evocano leggerezza e ariosità, giocano con pieno e vuoto, forme tonde e squadrate. Un continuo rincorrersi e mescolarsi di opposti che qui danno vita ad uno stile estremamente attuale, perfetto con il mood del momento.

The Ellisse pendant lamps evoke a sense of lightness and airiness with their interplay of full and empty volumes and round and square shapes. A succession and mix of opposites creates an up to the minute style, perfect for the mood of the moment.

HAMMER

Non fatevi ingannare dalle sue linee rigorose, con la sua luce LED discreta ma efficace e le forme contenute e affusolate, Hammer crea giochi di luce divertenti e movimentati. Tanti colori per altrettante soluzioni d'installazione.

Do not be deceived by its severe lines, its discrete but effective LED light or its restrained, tapered shapes, Hammer creates fun, dynamic interplays of light. A wide range of colours provides plenty of installation solutions.

ICARO

Quando un'idea è forte non servono molti elementi per raccontarla, come in Icaro, dove è la struttura stessa in metallo a creare le ali spiegate che ci portano verso il cielo. La luce ne sottolinea la figura e si diffonde in modo omogeneo e morbido.
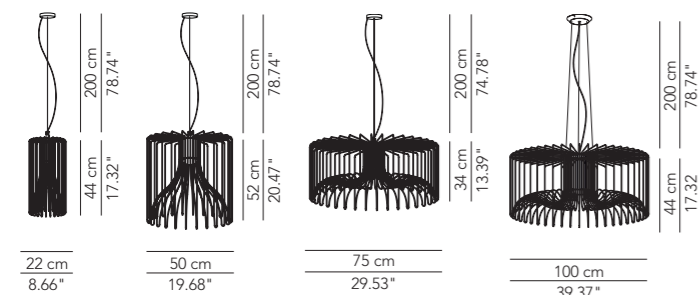

A powerful idea doesn't need many different elements, just like Icaro. The metal structure itself creates the displayed wings that carry us up towards the sky. Its shape is emphasised through light, which is diffused evenly and delicately.

PIN UP

Il corsetto è simbolo di femminilità allo stato puro e allora perché non farne un oggetto di design che unisce alla sua funzione principale, illuminare, quella di arredare e creare un angolo di sensuale bellezza. Una vera piccola opera d'arte pop in ceramica.

The corset is the symbol of femininity par excellence so why not use it to create a designer light that combines its main function, that of illuminating, with furnishing and creating an area of sensual beauty. A genuine ceramic masterpiece of pop art.

REVERSE

Classico e minimale, Reverse è l'armonia delle proporzioni, impossibile non amarlo. Semplice, nel suo richiamo alla geometria del tronco di cono, elegante nelle finiture in plissé o cotone che letteralmente lo rivestono.

Classic and minimal, Reverse is harmony of proportion that's impossible not to love. Simple, resembling the truncated cone in geometry, and elegant in its plissé or cotton finishes, which literally clothe it.

LOST

Da terra o a sospensione, Lost è la lampada che, con la sua linea slanciata, rievoca totem propiziatori di antiche civiltà. L'aura mistica e ancestrale è ampliata dalla luce diffusa e dall'estrema pulizia delle linee, fasciate dal tessuto.

Whether as a floor or pendant lamp, the slim-line shape of Lost re-evokes the propitiatory totem poles of ancient civilisations. Its mystic, ancestral aura is broadened by the diffused light and stark clear-cut lines wrapped in fabric.

LUCILLA TONDA

Un sapiente gioco di rapporti tra volumi e la combinazione tra loro di figure geometriche classiche ha dato vita a tutta la linea Lucilla Tonda, dove il filo conduttore tra le varie lampade è il paralume cilindrico rivestito in tessuto.

A skilful interplay of ratios between volumes and the combination of classic geometrical shapes led to the creation of the Lucilla Tonda line, where the leitmotiv uniting the various lamps is the fabric covered cylindrical lampshade.

MILLELUCI

Questa sospensione si caratterizza per essere una variante dai dettagli più ricchi e dal tocco contemporaneo del paralume classico. La struttura conica del paralume è rivestita in tessuto e le dimensioni di questi corpi luminosi li rendono ideali per grandi ambienti.

The distinguishing features of these pendant lamps are the rich detail and the contemporary feel of the classic lampshade with its conical structure upholstered in fabric. Their sizes make them ideal for large spaces.

RETTANGOLO

Per illuminare zone
specifiche e mettere
in risalto dettagli
preziosi, puoi affidarti
alle linee squadrate,
grandi o piccole,
di questa famiglia,
dove il rettangolo
è protagonista e
lascia filtrare la luce
attraverso il tessuto
con cui è rivestito.

To illuminate specific
areas and highlight
precious details,
you can rely on the
straight-lined, square
shapes, large and small,
of this family, in which
the rectangle reigns
supreme and allows the
light to filter through
the fabric upholstery.

RETTANGOLO SLIM

Una scatola, un cassetto
dei ricordi, è questo che
richiama alla memoria
Rettangolo slim.
Proporzioni riviste
per donare alla tipica
solidità dei
parallelepipedi più
slancio e proiettare
con più leggerezza
la luce negli ambienti.

A box, a souvenir drawer
is what Rettangolo Slim
brings to mind.
The proportions have
been reviewed to make
the typical solidity
of these parallelepipeds
more dynamic and
to create a more
effervescent light.

ROMEO

La luce è un abbraccio
d'amore allo sguardo
e non conosce tempo.
Il mezzo con cui
si diffonde deve saper
valorizzare quest'idea
e per farlo, richiama
le linee più semplici,
eppure cariche di
eleganza ed armonia.

Light lovingly embraces
our gaze and knows
no time. The means that
diffuses the light must
be able to exploit this
idea using the simplest
of designs, which must
however ooze elegance
and harmony.
