For any further technical information, please check the Workbook at
www.catellanismith.com

In compliance with the regulations in force, the manufacturer reserves the right to make any styling or technical changes without prior notice. Such changes also include the type and wattage of light bulbs and electronic parts. These changes are due to market availability issues since it is continuously growing and evolving, and it tends to eliminate certain products in favour of others, discontinuing their production without notice (which is increasingly often the case with LED sources).
